

GOLF COMMISSION MINUTES
OF
April 4, 2019 MEETING

ATTENDED: Dean Godek, Dan Michael, Mike Dobise, Mario Tedeschi & Rich Hardina
GUESTS: Tom DiRico, Dan Shay, Will Clark, Bob Rossi & Mayor William Sapelli

Dean: We would like to welcome our new member Rich Hardina to the golf commission.

Tom:

- There are 40 members that are paid in full.
- Downstairs the new carpet was put in.
- The new banquet furniture is in and the furniture from the banquet area was moved down.
- The golf course opened April 3rd and had a great day.
- The pro shop is running the Men's Association and putting together the tournaments.
- Based on the revenue brought in year to date and what is expected for the next three months, the course should end up better than last fiscal year subject to the weather.

Two new leagues starting on Tuesday and Thursday with a total of 30-40 golfers per league.

The leagues will be starting in a week. Still have an opening for Monday night.

There is a special going for the month of April, Monday – Friday, \$25 for 18 holes with a cart and Saturday and Sunday, \$30, 18 holes with a cart.

August 24th the Christopher Knight tournament wants to eat at Agawam after the 18 holes.

Normally they leave and eat somewhere else.

Dan Shay:

The golf course came out of the winter in excellent shape, especially the greens

Major concern is the 2nd hole cart paths. The material needs to be removed and completed with asphalt like the other paths.

The 8th hole green needs to be addressed. Put in a temporary ditch to run the water around the green. Possibly looking at raising the green.

First hole spruce trees will need to be removed and have new trees replanted.

The last meeting minutes were changed to reflect putting a position so Tom could have an assistant. Looking to share the assistant throughout the year with another department within the town.

Last meeting minutes were approved. Motion by Mike 2nd by Dan all in favor.

Meeting adjourned at 9:00.
