

Have You Heard?

It's OPEN ENROLLMENT TIME. It's time to make your AFLAC changes or sign up for AFLAC programs.

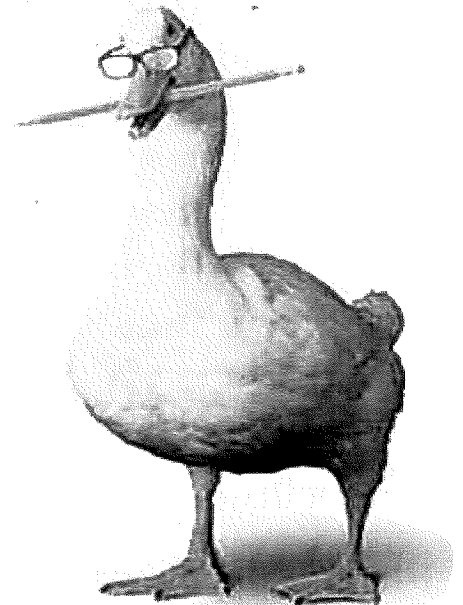

EVERYONE IS ELIGIBLE!!!!!!

SHORT TERM DISABILITY - If a disability kept you from earning your full-time income, how would you pay your bills during your recovery? Disability pays you cash above and beyond any other coverage you may have.

ACCIDENT INSURANCE - Covers you on and off the job, 24 hours a day, seven days a week. It pays cash directly to you for out of pocket expenses often not covered by most medical insurance plans. Family coverage is available.

CRITICAL ILLNESS - Many folks don't realize that the indirect costs associated with unexpected events such as heart attacks, strokes, coma, paralysis, etc. can be devastating. AFLAC's Critical Illness plan pays benefits directly to you. Family coverage is available.

CANCER - Many folks don't realize that the indirect costs associated with such an illness can be devastating. AFLAC's Cancer plan pays benefits directly to you. Family coverage is available.

DUE TO COVID-19 The AFLAC enrollment will need to be on an individual basis. All employees that wishes to participate, upgrade, make any changes or cancelation will need to contact Monique Simon directly by calling or texting to 413 695-3456 or email her @ wmassaflacny@comcast.net. Together we will make appropriate arrangements to address all enrollment concerns and issues.
